CLOSER LOOK: Filly faces the boys reuniting with rider Murphy who is 3-for-3 as her pilot; perfect on synthetic surfaces, she flashed her speed in her most recent defeat by Libertango as they both go at their shortest distance test ever today; beat the boys on synthe tic 2-back where the runner-up finisher snapped a 5-race losing streak by winning an Irish listed stakes next out; view as a pace presence.

Fare Kentucky form but prospered with a new Beyer Top 1st Time in New York; win rider Franco stuck with Brickyard Belle as he needed every inch of ground to get up in time to win at 6 furlongs which is the concern turning back to 5.5 furlongs where he ra llied too late vs. lesser competition in 2 losses going this far; is a deep closer like the 2 morning line favorites as he saves ground then makes one run.

1st time facing males since her debut win; exits the field's-best 101 Timeform Rating at a half furlong longer than today's shortest distance test ever; 1st-time Prat who in his lone try for the conditioner scored the trainer's 1st ever North American wi n (Survie); finished 2nd best behind the 3-back winner who scored a Group 1 win next out in France; the main issue to back on top is her often slow starting gate break at today's abbreviated distance.

1st time facing males; 90 co-field-best Beyer was posted at a half furlong longer than today's maiden win distance victory; defeated the runner-up finisher 1st time out who posted a 73 speed figure in her next-out KEE-MSW 6.75 length victory; she is a sl ow gate breaker who races outside of New York for the 1st time and much like morning line favorite Libertango she will have to find her way rallying through a big field to win this.

1-time winner seems up against it despite exiting a new Timeform Rating Top out racing her 16-1 odds in a narrow loss to Final Objective; it is 1st time Johnny V which has been a long time win angle and you will get a nice price if the Hall of Famer can pull off the upset; she has been best at 5 furlongs with this additional half furlong seeming to favor some of the others; seeing her defeated by similar rivals in each of her last 3 losses has her ranked below the top contenders for this.

1-time winner scoring the victory without rider Sheehy who is 0-for-4 aboard; may have been best in the Grade 1 Middle Park rallying in traffic to lose it all by 1.25 lengths; improving 2-year-old was out kicked by Final Objective for the exacta money 2- back and the same could be said for Adonius 3-back; all of these outside posts are difficult to navigate on Keeneland's sharp turf turns.

Was the 4-5 morning line favorite in CD 3rd Thursday an allowance vs males at 5F on turf; major stamina concerns for this if in going 0-for-3 in all races longer than 4.5F; she is 1 of 9 fillies entered as the bettors were not deterred making her the bet ting choice vs. the boys where she was nailed in deep stretch by the top 3 who are all back for this; could not overcome post 8 at today's distance which makes today's wide ground losing slot a lot more challenging; beat the debut runner-up who Beyered j ust 55 in a next-out PID-MSW win.

CLOSER LOOK: Latest was a gutty performance in which she out-dueled a pair of pace foes only to be swallowed late by the well-positioned favorite who'd been drafting just behind; this one has yet to try 2 turns but Cox won this race 2 years ago with champion Immersiv e and is 4-for-last-8 with 2yo fillies going long in Gr. I or Gr. II stakes; contrary to recent online chatter, barn is 7-for-last-8 with favorites as of press time (NOT that this gal...); runner has 4 siblings who were winners at a mile or more while si re was 7-for-9 going long; this marks 4th different track for miss who will need plenty to shake out in her favor to threaten in the end; may have some price potential underneath... with 4th different jock aloft.

She broke in the air and then hugged the rail much of the way before running up on heels on the 2nd turn and finishing powerfully in that strong debut on the sod; perhaps shouldn't have been a shocker when topping a trio of Baffert charges when moved to dirt for 2nd tilt; still tremendous upside in only 3rd career start while barn has sent a trio to the 'Cup and still seeks initial superfecta finish there; sharp interim works out west since earning graded stripes and she has every right to be something special; certainly makes the short list in here.

She topped modest maidens who'd had limited prior race experience and the pair to have returned from the 9/27 tilt did not distinguish themselves next time out; dam with the memorable name won the Br. Cup Filly & Mare Sprint for same connections in the f inal start of a 6-for-8 career that netted $1.1 Mil.; that dam thrice attained Beyer Speed Figures of 106 or more but was 0-for-1 beyond 7 furlongs; could still leap forward in just 3rd start and has worked in steady fashion toward this first try vs. win ners; definitely a shot in the dark here.

Not a bad showing when switching to Gr. I company for first try vs. winners when topped by a 2nd-time starter who improved 13 Beyer points for the Frizette win; this gal was well positioned much of the way and did finish strongly for the place spot; a si bling to this gal won over a mile in Dubai earlier this year and sire inherited the win in the 2021 Kentucky Derby; sharp interim work on the page while rider has earlier experience aboard this filly; 2nd start vs. winners is a spot for marked improvemen t; barn tried the BC on 14 past occasions (only a pair after 2008) while still looking forward to initial superfecta finish in the 'Cup.

She got away with soft splits and cruised vs. 4 foes in the debut win and did show style versatility when trouncing overmatched opponents in latest; only subsequent winner from last topped Ohio-bred stock; continues to work lights-out IN Kentucky for bar n that is 2-6-4-1 / 28 in the BC Juv. Fillies over the decades (last won at Mth in 2007); most anybody would anticipate a leap forward in this 3rd start but it IS her first try beyond 7 furlongs and nothing official over this particular course just yet (73-mile trip from CD to Kee); sky remains the limit but does get a new rider today (Baffert-Prat 15-for-last-30 in stakes).

Runner-up in the Sorority at Mth is presently 0-for-3 vs. maiden stock but this gal had a troubled debut and did improve when moved to Gr. I company as a maiden; can see another step forward coming off the deck this time; $500K purchase is full-sis to $1 Mil.-earner & Gr. I winner, Dorth Vader but 7 of their other siblings have combined for just 3 career wins; this marks barn's first year with a BC starter; do think this one gained last out from the race shape which featured a spirited pace battle which doomed the 4/5 favorite; there is obviously SOME pedigree potential in this corner but those playing percentages will hesitate before backing.

Runner-up in her latest has 7 starts, 7 diff. distances, 5 tracks, turf and dirt, and yet SIX speed figs. in the 60-63 range; twas likely pace alone in latest that earned only fig. above 61; think this gal really was loafing early in latest and now she m oves to Gr. I company with an added turn; Casse 2-2-1-1 / 23 in BC 2yo dirt races to date (won this with Wonder Wheel in 2022); sire was dull going long and mom never tried but 2nd dam took the $250K Bison City at FE at this trip and was a Bel maiden win ner by 16 lengths over same trip; kin to Gr. II winner Stormy Embrace ($719K, but 7th in only try at 8 furlongs or more); many of these will want to race up close and that doesn't bode well for her.

Undefeated lass has done solid work each time and she's by a sire who won a couple times at this trip; mom also won going long with same true of all 3 siblings; solid slate of interim works with the screws having been re-tightened courtesy of the solid h alf-mile move 2 weeks ago; she's going to need to step forward to threaten and some making 3rd start have slightly more upside potential than those making 4th starts here; barn 1-0-1-2 from 8 prior BC starters (won the Juvy Turf with Oscar Performance in 2016); miss has done no wrong and certainly makes sense for tickets going a bit deeper in this contest.

A Chad Brown-trained firster had all the advantages when stalking this gal from the outside in latest; decent step forward by this one even in defeat; older runners went a mile later on same card with splits of :22.37 and :45.19, so not thinking the earl y tempo was particularly lively for the fillies; first 2 dams and both siblings have zero starts between them; added turn in the cards for this maiden who is facing Gr. I stock; Pletcher 0-4-3-3 / 20 in this particular event over the years; daughter of U ncle Mo could go either way, though would really need to make progress to reach the exotics vs. this group.

Best to begin here by playing devil's advocate with this undefeated charge - the pace in her latest was painfully slow (consecutive quarters run in :24.45, :24.29, and then :23.75 and :24.43 - that the first one was SLOWEST in the race tells us something , also the runner-up was 2nd all the way); the 2-back runner-up returned to lose a maiden race and remains 0-for-3 vs. maidens; barn 0-0-1-3 / 13 in BC action entering 2026; undefeated, minimally tested, with raw figures on the improve in ways resembling greats of the past; isn't it the right position to be covered if she romps at low odds AND also have something live on the chance that she stubs her toe in toughest scenario yet?

CLOSER LOOK: This race looks like it goes through Sun Goddess and no one in here realizes that more than this miss as she was defeated by that rival in all three of her losses while recording runner-up finishes; she was game when taking down a Group 1 as a favorite w hen last seen, but feel that it is fair to question the strength of the field she met that day; she's ideally drawn in post one at this trip and not going to be at all surprised if she's able to land a solid share of the prize.

She was very impressive when bursting between rivals to secure a stakes win at Saratoga at second asking, and this filly is by a sire that is off to a hot start with turf starters and her dam was a multiple G1 winner while winning 19 of 38 starts for mor e than $2 million; this miss did disappoint as an odds-on favorite in her latest outing, and this will be the first time that she's been asked to race beyond 5 1/2f.

Nicely bred turfer hasn't done anything wrong in her first two starts and she looked good in winning a Group 3 event in Ireland at second asking; that said, the 2-3 finishers from her latest race were both maidens, and it was a long way back to fourth; w ith only two starts behind her, there's the potential for better to consider, but others entice more.

Have to respect the way that she backed up winning her career debut at Indiana with a G2 score over this turf course, but she did have a really nice trip after breaking from post nine, even if she was bothered a bit in the latter stages by runner-up fini sher and today's rival Seneca Park; can't knock her after two starts, but this is a seriously tough assignment.

She's three-for-three including a G3 win in her latest outing and feel that all three of her victories have been even more impressive than they look on paper; feel that she'll be ready to deliver her strongest performance to date and like to see that she 's had back-to-back starts at today's one mile distance; this isn't an easy task, but there's a lot to like about this one.

Connections had to be happy with the result when taking down a big purse at Kentucky Downs in her first start in America after beating 15 rivals to break her maiden in Ireland, but she was begging for the finish at KD before managing to barely hold on; I ook for her to be involved in the running early on, but others figure to have more to offer through the lane.

She's been freakishly good in her eight career starts while winning six of them and recording three Group 1 wins; she was beaten going 5/8's in her career debut and her only other loss was to Libertango in a 25-horse field; Libertango is 3-for-5 with mu ltiple group stakes wins and 407k in earnings, and note that she got revenge on that rival in a G1 event last time; she gives every impression that she'll handle today's one mile distance.

She looked like her own worst enemy in an impressive runner-up finish in a Group 2 event at second asking after being tough to settle in, and although still a little difficult to handle, she was much better in recording a G1 win last time against boys af ter being held up in last and unleashing a strong run outside of rivals; runner-up finisher from her latest race is a Group one winner, and the third place finisher is a Group 2 winner; it's tough to look away from Sun Goddess, but this miss has a lot go ing on for her.

Virginia-bred miss showed tremendous determination in running down a loose-on-the-lead Charlotte's Beach in her career debut after running a bit greenly, and she rallied strongly up the rail that day; she was much more professional in securing a G2 score at second asking, and gives the impression that she has a very bright future; Prat has won with 72 of 285 (25%) mounts for this barn in 2026.

She didn't like what she saw when soundly defeated by today's rivals sun Goddess and Green Empress two starts back, and she's obviously going to need to find a way to take a major step forward if she's to put pressure on those foes in this event; note th at her Group 3 win was earned against four rivals.

She needs to see a scratch from the main body of this race in order to draw in, but this improving two-year-old has won three of four starts, including a Group three in her latest outing, albeit against four rivals; she was soundly defeated by today's ri val Sun Goddess at second asking, but she's clearly capable of a better performance than she showed up with that day.

She's Grade 3 stakes placed over dirt and turf, and she was a sharp runner-up finisher behind today's rival Seneca Park at Kentucky Downs two starts ago when going after a big purse; regardless, she faces a different caliber of competition today while ma king her first start beyond 6 1/2f.

Like to see the way that she surprised a field in her career debut at Kentucky Downs and she gave a solid account of herself in her graded stakes debut over this turf course most recently when finishing behind a couple of today's rivals; that said, she h as every bit the look of an outsider. -Brian Pochman

CLOSER LOOK: After breaking from posts 8 and 9 this deep closer gets to save all the ground from the rail today; may have fared better in the Summer but broke the last of 8, had traffic issues then swung out very wide for the drive passing runners like he may want ev en longer than today's 1 Mile stamina test.

In his only start when not the betting favorite was his worst finish ever snapping a perfect 4-for-4 as he wants to be up or on the lead; adds blinkers seeking answers to make amends as he stretches out to 1 Mile for the 1st time; is by a 4-for-6 Group 1 sire (677K) who never raced longer than 7 furlongs; is the 1st foal out of a dam who was 1-for-13 scoring that win at 1 Mile and 1-4 on IRE turf; 1st time Prat the Eclipse jockey is on for a potential huge bounce back effort.

Perfect on KD turf exiting the field's-best Beyer speed figure when stretched out to today's 1 Mile distance for the 1st time defeating the runner-up finisher who Beyered 90 in his next-out CD Grade 3 stakes victory while the show runner took a KEE G2 ne xt out with an 81 speed figure; had to love that he overcame ground losing posts in last pair with a much more favorable draw for this; dirt workout 6 days ago for this was right on the money; is the one to beat.

Set slow fractions en route to the maiden breaking score then the Grade 3 SAR triumph; while his Beyers have improved he clearly needs a significant boost in the speed figures to make an impact here with the huge concern about his ability if he doesn't m ake the lead in this big field; win rider Prat is on Avec Toi while most recent win jockey Santana stayed at Belmont today.

Well thought of from the outset being a favored Saratoga career debut graduate out gaming the runner-up finisher who finished 2nd in both KEE-Grade 2 stakes and SAR-G3 stakes in next pair (78-72 Beyers); tons of upside with just 2 starts; won at longer i n the debut and perhaps will need a bit longer than 1 Mile to see top form.
